Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative brought it to the Examiner's attention that the European Search Report listed in the IDS filed 7/28/06 and the US Application 10/727,561 listed as an appendix to the IDS filed 1/21/04 were never considered/initialed by the Examiner. The Examiner's failure to provide her initials next to these documents was an oversight. This oversight has been corrected (see attached pages).

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
